

PEOPLE

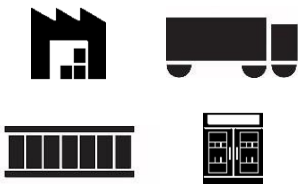

Portable Smart Lock P-Lock

Portable, Multi or Single use device

- Global coverage
- Self powered
- Recording 24/7
- Easily mounted
- Long battery Life

Application

Certifications

- RED 2014/53/EU
- RoHS compliant

Wireless connectivity

- GSM (2G) / 4G
- RFID
- Bluetooth

Performance

- Water and dust proof IP67
- UV resistant
- Working temp:-20 ~ 60°C
- Storage temp:-40 ~ 80°C

Battery

- Rechargeable Li
- Low Power Consumption

Charging

- DC 5V/2A

Easy Mounting

- Rope
- Magnets

Security

- HTTPS TLS 1.3
- Keyless Design
- Continuous Track&Trace operations

Data & Alarms

- Periodic transmission of location and status
- Position/Route
- Motion/Speed
- Unlocking alarm
- Rope cutting alarm
- Unauthorized RFID
- Wrong password
- Geofence entry/exit
- Low battery
- Motor failure
- Back cover opening

Localization method

- GNSS
- LBS (Cell-Locate)

Connectivity w/ ext. sensors

- Bluetooth

On-board sensors

- Motion
- Shock
- Vibration

Other Features

- Dual SIM Card
- Global coverage and seamless cross-border operation
- Communication with backend system & Mobile App
- Unlock Methods: RFID/APP/BT/OTA/SMS
- Non-stop data recording and retention until valid transmission

Services

- 24/7 Recording
- Alarms
- Notifications
- Auto-reporting
- Analytics
- Tracing
- Insights
